

Divyank Munjapara

Lead Fullstack Developer

A pro at using Laravel, Vue, Node, React, Elasticsearch, NoSQL, and relational databases. Shows great leadership in team management and excels in designing systems. Always ready to create sturdy web apps, keen on continuous learning and sharing what I know. With sharp attention to detail, I meet deadlines and stay within budget. Great at teaming up, been part of many different sized groups. Quick at picking up new tech skills and rising to new challenges. Eager to bring my know-how to the latest web development tasks.
